Dear Mr. Weisberg,

I am reading your books with great interest. They do indeed make clear some of the methods & judgments of the commission & its staff. Hopefully, the case will be re-opened to permit withheld evidence to be shown. The books are a fantastically detailed labor on your part. I salute your energy & persistance!

Whitewash is being sold locally at at least two book stores & distributed by the Milwaukee News Center.

Thank you again on behalf of Bob White, WOKY-TAKE, and my self for appearing on the program.

Best wishes for the Holidays.

Cordially, Wayne S. Cody
